VOTE AGAINST CUMBERLAND SEWER SYSTEM

Residents of the Redding Lane and Windbriar sections of Cumberland Twp. have voted by a margin of more than three to one against a proposal that a sewage disposal system be constructed for their use.

The township supervisors opened and tabulated the ballots Thursday evening at a special meeting at the Army Reserve Training Center along the Fairfield Rd. Fifty-nine of the 68 ballots that had been distributed to property owners were returned. Thirteen were in favor of the sewer proposal but 46 were opposed.

The supervisors had announced before the ballots were opened that they would be guided by the wishes of the residents involved. Plans for a sewage system have been shelved for the present and the supervisors said the complaints about septic tanks and surface drainage of laundry water now become a matter for the state Department of Health.

WORK ON BUDGET

The ballots had been distributed to residents between the Snyder Body Shop and the highway garage as well as the Redding Lane and Windbriar Lane developments.

William Seiss, sanitary engineer, was at Thursday's meeting ready to help the community try for federal funds toward the cost of a disposal system along lines similar to those followed by the Grandview Terrace project.

President Howard Waybright was in charge of the meeting which was attended by all of the supervisors and about 25 property owners.

In addition to the tabulation of the voting results, the supervisors gave some more attention to their annual budget which will be up for preliminary approval at the regular meeting next Thursday and discussed some proposed changes in the township's sanitary ordinance.

The sewage system proposal developed after there were complaints about sanitary conditions in the Redding Lane and Windbriar sections involving unsatisfactory septic tank disposal systems.

SCOUT DRIVE FOR \$6,800 IS "KICKED OFF"

The Black Walnut District of the Boy Scouts launched its annual fund campaign outside the Gettysburg Community Chest area with a kickoff dinner session Thursday evening at the Musselman cafeteria at Biglerville. The C. H. Musselman Division of Pet Milk was host to the Scouts.

The campaign for \$6,800 will be completed as rapidly as possible during next week which is National Boy Scout Week.

Sixty attended Thursday's affair which made it the biggest "kickoff" dinner in the history of the district, according to Stanley Rogers, district Scout executive.

KINGSTON IN CHARGE

Charles Kingston, general finance chairman, was in charge of the meeting in the recreation room following the dinner. He introduced the community chairman and each chairman presented his solicitors. There was an official welcome from Charles W. (Continued on Page 2)

Premier Phouma Emerges As "Strongman" Of Laos

By RENE-GEORGES INAGAKI VIENTIANE, Laos (AP) — Premier Prince Souvanna Phouma emerged today as Laos' strongman but the once powerful deputy premier, Gen. Phoumi Nosavan, is described as a fugitive in the jungle with a handful of policemen.

A sharp turn of events after the week's fighting in the tiny kingdom has left Phoumi without the major role he held as rightwing leader in the shaky neutralist-rightist coalition government headed by neutralist Premier Souvanna.

"The government declared him a rebel and will arrest him if he tries to come back," a Cabinet minister said in an interview.

MAY SHOOT PHOUMI

The official, Ngon Sananikone, minister of transport and public works, added that the military may shoot Phoumi if he is captured.

40 Members Are Added By Farmers

WAY CLEARED TOWARD EARLY BOARD MERGER

The Mt. Joy Twp. board of supervisors Thursday evening cleared the way for the Mt. Joy Twp. School Board to continue efforts toward advanced merger with the Gettysburg Area School Board by announcing a tax compromise to conform with the tax structure in the existing merged areas.

At a special meeting in the election house at Two Taverns, the supervisors told members of the school board that details of the compromise have been worked out by their attorney, Daniel E. Teeter, to permit the supervisors to give up the one per cent real estate transfer tax and \$2.50 of the per capita tax required to match the tax program of merged district, effective July 1, 1965. They said they arrived at the solution without adding any new taxes.

The school board adopted a resolution in December seeking merger with the Gettysburg Area Board, but action was delayed by the merged board pending a solution to the tax situation. The Gettysburg Board will take action this evening at a special meeting which is scheduled for 7 o'clock.

Rex Maddox, president of the school board, commended the supervisors for their cooperation on behalf of the residents of the northern sector of the township, which comprises the Mt. Joy Twp. School Board. He said that merger with the Gettysburg Area School System will result in considerable tax savings for the 480 taxpayers in the northern end of the township, who will vote on the referendum to merge May 18 at the primary election, if the Gettysburg Area Board accepts the board's request this evening.

BATTLEFIELD GUIDES EARNED \$118,740 IN '64

Gettysburg's 55 battlefield guides last year earned \$118,740, tips excluded, according to a statistical report issued today by the National Park Office. It was the best year ever for guides here.

Figures released today by Supt. Kittredge Wing and compiled by Supervisory Historian Milton Thompson show that guiding visitors around the Gettysburg battlefield is becoming big business.

The figures show that during last year the guides made 21,924 trips over the field conducting 194,935 visitors. The number of trips is 1,072 more than were made in the Centennial year of 1963 when 167,373 made the tour. 3 TOP MONTHS

There were 1,660 short tours last year of the one-hour variety and 17,776 of the two-hour tours. Bus tours totaled 2,468.

The big months were July when 4,690 tours were made with 39,498 visitors, and August when 4,648 tours were conducted for 26,842 visitors.

May had less than half the number of tours that were counted in July and August but had a greater total of visitors. This difference is explained by the fact that May was the big month for school bus trips.

JANUARY BETTER

January of last year was the lowest month for tours. There were only 102 guided trips for 936 visitors.

January of this year showed a marked increase over those totals. There were 46,393 visitors on the field as compared with 25,758 in the same month last year. There were 14 buses and a total of 13,645 vehicles. There were 1,856 persons counted entering the main doors of the Visitor Center, a decrease of 281 from January of last year when 2,137 were noted. No campers or horseback riders were recorded on the field last month.

Queen Camps In "Wilds" But On Oriental Rugs

ADDIS ABABA, Ethiopia (AP) — Britain's Queen Elizabeth II planned a camping trip in the wilds of Ethiopia but the camp may be more like a luxury hotel.

She will sleep in a silk-lined marquee. Thick Oriental carpets will be spread over the ground.

There will be hot and cold running water, a fireplace and even electric candelabra.

Some 50 tents have been pitched in a field 23 miles north of the old Ethiopian capital of Gondar. The site overlooks a 3,000-foot chasm, and the blue Nile against a backdrop of towering mountains.

A mountain spring piped to the camp and heated by a log furnace will provide the hot water.

According to the preface, "The contributions of Dr. John Aberly to the ongoing work of the church on two continents cannot be measured with any human yardstick. It is relatively easy to list the books, authors, sermons and reviews that came from his pen; to gauge their impact upon those who read them or that of his personality upon those who came in contact with him is patently impossible."

LIBRARY BD. RE-ELECTS ITS '64 OFFICERS

Members of the board of directors of the Adams County Public Library at their February meeting Thursday evening re-elected present officers for another year and accepted with regret the resignation of Joseph T. Dobransky as rural extension librarian here.

He submitted a letter of resignation stating that he has accepted a position as assistant librarian and cataloguer for the International Business Machine Company in Endicott, N. Y. The resignation will be effective February 22. He has been assistant librarian and cataloguer here for the last two years besides directing the county bookmobile service.

The board directed Mrs. Mary S. Wilson, the librarian, to seek a replacement for Dobransky.

Donald B. Hudson, the superintendent of the Upper Adams School District, was re-elected president of the library for another year and these other officers were renamed: Attorney Donald G. Oyley vice president; Dr. Frank N. Hewetson, treasurer, and Mrs. W. Richard Schubart, secretary. Their election followed presentation of a nominating committee report by Roy A. Hammond.

The report of the librarian indicated another month of marked increase in the donation of memorial books. Twenty-three books have been added to the collection of nonfiction by this means. Copies of the annual report distributed at the January dinner meeting will be given to the Welcome Wagon hostess for distribution to newcomers to the community as a means of introducing them to the library, the board announced.

The monthly report on the development fund showed income of \$237 last month making a total of \$60,241.78 paid to date. There is \$15,571.03 yet to be received. A mortgage for \$40,000, representing the unpaid balance on the cost of the new building and its equipment, has been taken with the Gettysburg National Bank. "OLD GUARD" TO COME HERE MEMORIAL DAY

The Old Guard Fife and Drum Corps will appear in the Memorial Day parade in Gettysburg. It was announced Thursday evening at the meeting of the May 30 committee at the GAR post room on E. Middle St.

Chester S. Shriver Jr., who was chairman of the Memorial Day committee here for the last 12 years, said he has received that assurance from the Pentagon with confirmation from army sources. The colorful unit has been a favorite with the crowds on previous visits to Gettysburg.

Nominated as chairman for another year, Mr. Shriver declined because of the press of business and the committee named Arthur W. Warman as the chairman for 1965. He promptly named as his co-chairmen Norman Myers of the Veterans of Foreign Wars, Richard L. Fox of the American Legion and Frank L. Merriken of the World War I veterans.

SEEK COOPERATION

William G. Weaver was re-elected secretary and David A. Tawney was chosen treasurer. Sgt. David K. James of the Pennsylvania State Police met with the committee Thursday evening to go over plans for the 98th Memorial Day observance here. Mr. Warman gave the treasurer's report for last year's observance.

The committee voted to discuss with school officials the possibility of having the school children join the parade at High St. as they have done for many years instead of at the high school as was done last year. Many spectators expressed disappointment at not being able to see the school children until almost the end of the parade route. Some years ago the children marched from Meade School with the procession over the entire parade route and later joined the column at Lincoln Square.

The speakers' committee made a progress report.

The committee will meet next February 26 and Congressman N. Neiman Craley has accepted an invitation to attend that meeting.

ASK COUNTY'S OPINIONS ON REDISTRICTING

Representative groups from 10 midstate counties including Adams have been invited to air their views on the problems of reapportionment.

The House committee on elections and apportionment will sit from 9 a.m. to 5 p.m. Saturday in the House Majority Caucus Room in the Capitol to listen to the views of political science professors, Chamber of Commerce groups, veterans organizations and labor unions on how best to rearrange the legislative districts.

Rep. Harry R. J. Comer, committee chairman, said letters went out to the heads of 65 organizations inviting them to appear.

"We went through the Chamber of Commerce listing to try to get all those in the area who we felt would be interested," Comer said, adding that representatives of any other area groups are welcome to appear.

FIRST OF EIGHT

The letters went to organizations in Dauphin, Lebanon, Lancaster, York, Adams, Franklin, Mifflin, Juniata, Perry and Cumberland Counties.

Comer said the committee would devote the morning session to a discussion of a statewide plan and the afternoon to plans for the various counties.

The meeting is the first of eight scheduled by Comer around the state to hear the public's views on how best to meet the requirements of legislative reapportionment as mandated by the state Supreme Court. The General Assembly has been ordered to come up with a plan based on the "one man, one vote" concept by September 1.

Delay Decision In Hit-Run Case

A decision in the case of a Hanover area woman charged with leaving the scene of an accident after allegedly striking a picket with her car has been continued to February 20 at 10 a.m. by Fourth Ward Alderman Curtis S. Fory in York.

Thomas J. Livelyberger, 370 Main St., McSherrytown, testified at a hearing Thursday before Fory that he was struck by a car driven by Sharon Wildasin, Hanover R. 3, on January 18 while he was picketing at the strikebound Wegé Pretzel Company, Penn. Twp.

Attorney Jesse L. Crabbs, lawyer for Miss Wildasin, who is a nonstriking employee, contended the prosecution did not show she had knowledge that an accident had occurred and cited Livelyberger's testimony.

Under cross examination, Livelyberger had said that he did not believe Miss Wildasin knew he had been struck or injured at the time of the accident.

Negroes Plan To Resume Street Demonstrations

SELMA, Ala. (AP)—Negro leaders said today they would resume street demonstrations unless voter registrars agreed to open their office on a daily basis in the wake of a court order for faster registration.

"We are sending a delegation to the courthouse to request that the Board of Registrars operate every day," said the Rev. James Bevel, who had conferred with Dr. Martin Luther King Jr. in his jail cell.

Bevel said that King decided there must be an immediate indication of faster processing of Negro applicants before street marches would be ended.

U. S. Dist. Judge Daniel H. Thomas of Mobile issued an injunction against the registrars and ordered the mto step up the pace of registrations.

BULLETINS

PHILADELPHIA (AP)—Negotiations dragged on slowly today in coast dock strike, which has caused losses of millions of dollars daily, left hundreds of ships anchored in rivers or at docks and shut down factories and mills for lack of raw materials.

To many of the 60,000 longshoremen involved in the strike, entering its 26th day, it means using their savings and borrowing from friends and relatives until they go back to work.

WASHINGTON (AP)—Sen. Albert Gore (D-Tenn.), demands a public hearing by the Senate finance committee on an Internal Revenue Service ruling which he says may have cut the tax levy in the Du Pont-General Motors stock case by "many millions of dollars."

"The public interest has been prejudiced," Gore, a member of the committee, insisted in a Senate exchange Thursday with Sen. Russell B. Long (D-La.), who opposed his move.

HARRISBURG (AP)—State capital police are holding warrants for the arrest of nine Chester civil rights demonstrators who failed to appear for a hearing on charges of trespassing.

He spoke of the importance of filling the ticket at the primary election to avoid writings of names of disinterested or unqualified persons. He said Congressman Crayley soon will open part-time offices in Gettysburg, Hanover and Carlisle. He urged members to encourage the use of absentee ballots by traveling men, rather than lose their vote, and asked club members to work for registrations before the primaries.

Harrison G. Fair Issues Statement

County Commissioner Harrison G. Fair today issued the following statement relative to the recent dismissal of William G. Weaver as Civil Defense director of the county:

"It is not customary when one is dismissed to publish one's shortcomings. However, when one publishes his own dismissal, I think it appropriate to give all the facts.

"On two occasions our Civil Defense director has misrepresented the county commissioners in letters written by him. The scope of these letters was such that I thought a person elected to the responsibility as your commissioner should not allow this to pass as an oversight.

"There are problems in our Civil Defense system that have been called to my attention and must be corrected. This I hope will materialize.

"It is becoming very obvious who is playing politics."

TRADING IS BRISK

NEW YORK (AP)—The stock market backed away irregularly early this afternoon in fairly active trading.

Gains and losses of fractions to about a point were the general rule for key stocks.

Trading remained at a brisk pace but was less than Thursday's and some Wall Street comment was that the market was digesting recent gains made in the recent sustained drive to repeated new highs.

ELECTION HELD BY LUTHERANS

Col. Richard Hershey was elected to the Council of Christ Lutheran Church for a two-year term at the annual congregational meeting which was held Wednesday evening following the annual dinner.

Council members elected for a second two-year term included Russell Campbell Jr., Donald G. Oyler, Edwin H. Johnson, Dr. Norman E. Richardson and Robert W. Weaver.

The budget for 1965 recommended by the church council was adopted. It calls for expenditures of \$59,249, including \$35,719 for current expenses, \$15,530 for benevolence and \$8,000 toward the reduction of the building fund.

Dr. Robert W. Koons, pastor, listed among significant achievements of the last year the introduction of the new curriculum material in the Christian Education program. The congregation ended the year with a balance of \$1,962 in the current expense fund and the building debt was reduced to \$36,800. The number of confirmed members increased from 564 to 593.

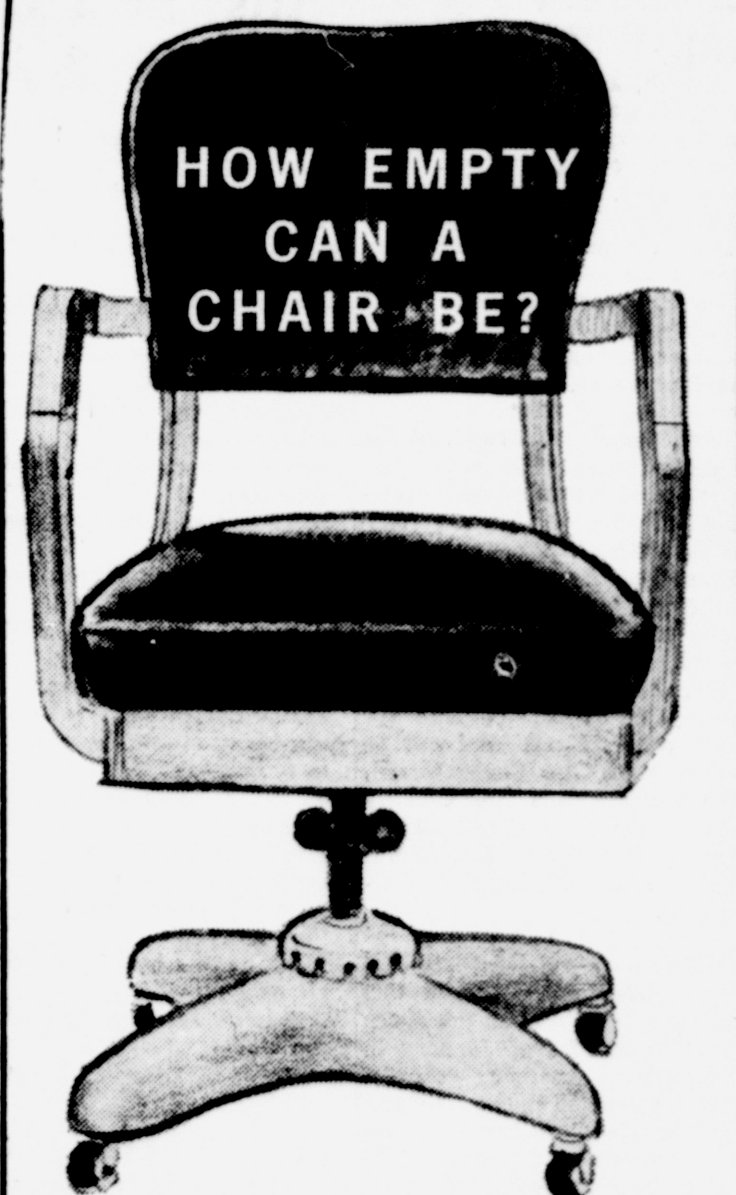

Prof. Francis Reinberger of the faculty of the Gettysburg Lutheran Theological Seminary presented a report on the present status of the seminary which, he said, is bending every effort to strengthen itself academically and financially so that future merger talks can be entered into from a position of strength.

Warriors Crush Susquehanna To Gain Second Place Tie In BML Race; Scrubs Romp

Pouring through 49 points in the middle two periods after a slow first period which found them trailing 15-14, the Gettysburg High Warriors romped to an easy 72-47 victory over Susquehanna here Thursday evening in a Blue Mountain League game.

The victory pulled Gettysburg to within half a game of Camp Hill, 3-0 in the second half race, and ties the Warriors with Susquehanna at 3-1, the Blackhaws suffering their initial setback.

HAWKS SET PACE

Bob Fortenbaugh, who led Susquehanna with 10 points, opened with a long heave with Rad Schultz quickly retaliating on a corner shot. Then the Blackhaws, with four players landing goals, moved ahead 11-4 and had another seven-point lead at 13-6 before the Warriors came back on a lay-up by Denny Herring and one-hander by Richardson at the finish to cut the lead to 15-14.

In the first minute of the second period Chris Folkemer sank two free tosses and dribbled through for a goal as Gettysburg went ahead 18-15. A goal by Fortenbaugh and foul by Mike Maugans knotted the score at 18-18 and then the Warriors went ahead and were never headed. Richardson bagged five fouls and a pair of goals. Dick Finkbner three goals and Tony Bushey four charity throws as Gettysburg built up a 39-27 halftime edge.

A run of 12 straight points in the first 3.25 minutes of the third period, nine by Richardson, made the score 53-28 and there was no question thereafter. Going into the final quarter the Warriors were in front 63-33.

Coach Merrill Eckhart yanked his entire varsity at the close of the third period and all of the reserves saw action.

GOOD FOUL TOSsing

Gettysburg turned in a fine performance from the foul line with 24 conversions in 33 tries. Bushey also had a perfect free lane performance with six tosses.

The Gettysburg reserves, slow in getting underway, netted 16 points in each of the final two periods to win handily in the preliminary 46-27. Scoring for both teams was evenly balanced.

Next week the Warriors play two games on foreign courts, meeting Big Spring in a key game at Newville Tuesday evening and then tangling with Newport on Friday at Newport.

Victories in those games would mean much as the Warriors finish their campaign with three straight home games.

Eagles To Train Again At Hershey

PHILADELPHIA (AP) — The Philadelphia Eagles will train at Hershey, Pa., next summer marking the National Football League team's 15th season there.

The announcement Thursday scotched rumors for the time being that Coach Joe Kuharich sought to switch to a college campus site and might even propose training in California.

Eagles' officials agreed with officials of the Hershey Estates that they would give suitable notification if a decision to switch training sites was planned after 1965.

The Eagles are expected to play two of their five pre-season games in the Hershey Stadium. One of the opponents already selected is the Baltimore Colts.

UNBEATEN OWL MATMEN MEET BULLETS HERE

Another big test for Ray Reid's Gettysburg College wrestling team will be given Saturday afternoon when the undefeated Temple Owls come to town.

This morning arrangements were completed to have the meet set back until 3 o'clock because of the funeral services for Dr. Earl Bowen, biology professor at the college, at 2 o'clock.

It was also announced the meet between the freshmen teams has been cancelled.

Temple, packed with power, depth and experience through the eight classes, has rolled over seven opponents including a 16-14 decision over Navy.

Gettysburg will enter the meet with a 6-2 record. Sophomore Scott Higgins and junior Joe Bavaro will be putting a pair of impressive records on the line. Higgins, 147-pounder, is 7-0 on the season with all verdicts coming on decisions. Bavaro, 157-pounder, is 8-0, having pinned all eight opponents. The Long Islander has also won 14 consecutive dual matches.

A capacity crowd is expected to be on hand for the encounter.

After graduation he spent two years on active duty as an officer in the Marines and began his coaching career in 1954 at Littlestown.

He is married to the former Joanne Dehoff, of Littlestown.

RICK BARRY IS TOP SCORER

NEW YORK (AP) — Rick Barry of the University of Miami Hurricanes again is No. 1 on the major-college basketball scoring list released Thursday by the National Collegiate Athletic Bureau. He's been there all season.

The 6-foot-7 star has an average of 38.2 on 649 points in 17 games in this latest tabulation that includes games of Jan. 30. He fell below his average against Miami of Ohio, with 29 points this week, a game which is not included in the current statistics.

In any event it would not affect his No. 1 perch since he has enough cushion to stave off any threats from runner-up Wayne Estes of Utah State and Bill Bradley of Princeton, who is third.

FORMER 'BOLT' COACH NAMED AT DICKINSON

Wilbur (Wib) Gobrecht, football backfield coach at Dickinson College for the past five years, was moved up this week to the vacant head coach position, Dr. Howard L. Rubendall, Dickinson president, announced today.

Gobrecht, 34, who was one of Dickinson's finest all-around athletes, succeeds Don Seibert, the head coach for eight years, who resigned last week in order to give more time to his other work in the department of physical education at the college.

It was also announced that Ed Asnaul, head basketball coach, will take on the added job of backfield coach under Gobrecht.

Gobrecht is a full-time member of the Dickinson faculty and besides his football chores he is the lacrosse and freshman basketball coach and teaches physical education. A 1952 graduate of the college, he has a master's degree in educational administration from Duke.

A native of Hanover, he joined the Dickinson staff in 1960 from Littlestown High School where he was the football coach for six years. His teams compiled a 42-10-2 record and won the Laurel Conference title four of the six years.

Gobrecht was a star halfback as a Dickinson student. He was runner-up for individual scoring honors in Pennsylvania in 1950, his junior year, with 72 points on 12 touchdowns. He earned 10 varsity letters on football, track and basketball and is the only person to receive Dickinson's athlete-of-the-year award two years in a row.

After graduation he spent two years on active duty as an officer in the Marines and began his coaching career in 1954 at Littlestown.

He is married to the former Joanne Dehoff, of Littlestown.

NAMES GRID STAFF

PHILADELPHIA (AP) — Bob Odell, new head football coach at the University of Pennsylvania, today named Bill Wrabley, his line assistant at Bucknell for seven years, as associate coach.

Odell also retained Harry Gamble, Joe Stanczyk and Paul Ribblett of last year's Penn staff as assistants. Two new assistants joining the staff are Gene Evans and Jim Roe.

Evans served as an aide under Odell at Bucknell, and Roe, a former Bucknell assistant, coached the backfield in 1964 at William & Mary College.

Roosevelt Raceway on Long Island had 11 harness races worth \$50,000 or more in 1964.

Navy Opposes Bullets Here Tonight At 8

A near-capacity crowd is expected tonight when the Navy basketball team, making its first invasion since 1948, tangles with the Gettysburg College cagers at 8 o'clock. No preliminary game is scheduled.

The Midshipmen are 6-7 for the season against some of the best teams in the East. In their last outing they topped the strong Manhattan outfit 75-70. Coach Ben Carnevale, in his 19th year as coach, has eight lettermen on his squad headed by Captain Larry Mack, 6-4, and Chris Reddington, 6-5, who are the top rebounders.

Gettysburg is 7-5 and will be gunning for its fourth victory against 23 losses in the long series between the schools. The Bullets are now sixth among the nation's teams in defense, allowing 58.9 points per game.

Area scholastic teams will also be busy tonight.

Gettysburg Junior High meets Central at Chambersburg in a South Penn League game; Bigerville hosts Newport in a Blue Mountain League tussle; Bermudian plays at Fairfield in the Adams-Franklin circuit, while Delaware invades Carlisle for a non-league scrap. Littlestown and Fairfield are idle this evening.

HAWKS SNARE SLICK LITTLE HOCKEY STAR

NEW YORK (AP) — The New York Rangers have handed Chicago the biggest 150-pound boost in hockey.

"We've strengthened our chances of finishing first," said Chicago Coach Billy Reay after the Black Hawks had acquired slick little Camille Henry from New York in a surprise, seven-player swap Thursday.

The Black Hawks, currently tied with Montreal for the league lead, have never won the National Hockey League's regular season championship.

"Any time you get a second All-Star at this stage of the season, you have to be pleased," Reay said. "Henry will help with our depth and maneuverability."

He didn't say it, but Henry also should be a key figure in improving the Hawks' power play. While Chicago leads the league in goals, the Hawks are — surprisingly — the poorest in the league on the power play, that is when they hold a main advantage.

And the diminutive Henry, one of the league's more prolific goal scorers, is one of the best in hockey on the power play. He has scored 13 of his 21 goals this season in such a situation.

The 32-year-old Henry, frail-looking and injury-prone, was the key man in the deal in which the fifth-place Rangers sought youth.

The Rangers, all but mathematically eliminated from the playoffs, sent farmhands Don Johnson and Billy Taylor, plus a player to be named later, along with Henry to Chicago.

The Black Hawks gave New York left wings Doug Robinson and John Brenneman and defenseman Wayne Hillman.

GRAY GHOST IS LAID TO REST

MAPLE PARK, Ill. (AP) — Greyhound, the famed Grey Ghost whose 26-foot stride catapulted him into the elite of harness racing, was buried in the frozen turf Thursday.

The fastest trotter in harness racing history died in his sleep in the luxurious, paneled stall of the R. C. Falmer Farm. The 33-year-old snow white gelding — equal to 132 human years — was buried in nearby Red Gate Farm, once operated by his late owner, Col. E. J. Baker.

Greyhound succumbed to infirmities of age. His caretaker, Vernon (Dooley) Putnam, said the majestic animal "just deteriorated from old age and went to sleep and died very peacefully."

Greyhound established 25 world records — 16 still standing — in a six-year career beginning in 1934.

Called the Man of War of harness racing, Greyhound reached his peak with a 1:55 world record for a mile against the clock at Lexington, Ky., Sept. 29, 1938.

But in winning 71 of 82 starts, Greyhound earned only \$54,505 in his career. Baker purchased the gelding for \$900.

MEXICO CITY (AP) — The Ministry of Communications and Transportation has named a committee to organize communications for the 1968 Olympic Games to be held here.

Eugenio Mendez Docurro heads the committee, aided by several ministry technicians.

FLOYD WANTS TO BEAT CLAY AND LISTON

By MURRAY ROSE

Associated Press Sports Writer
NEW YORK (AP) — Floyd Patterson's dream is to beat Cassius Clay and Sonny Liston, and in the process become the first man to win the heavyweight championship three times. He won't settle just for the WBA's recognition as champion.

Patterson wasn't available today for comment to the World Boxing Association's renewed proposal that he meet the winner of the Ernie Terrell-Edie Machen bout March 5 in Chicago. This is for the WBA's version of the heavyweight championship.

But it was learned from sources close to the former two-time heavyweight king that the bid will be spurned. Patterson prefers to await the winner of the Clay-Liston return in Boston this May or June. He may take on Argentina's Gregorio Peralt, the South American heavyweight champion, in the meantime.

Tony Macaroni, chairman of the WBA's championship committee, wired Patterson the proposition that he meet the Terrell-Machen winner within 90 days of the outcome of that fight-off.

THE WBA stripped Clay of title recognition when he signed for the return bout with Liston. The WBA is opposed to return title bouts and had warned Clay that he faced loss of his crown. Clay, however, still is recognized as champion in most parts of the world.

Patterson is vacationing out of New York and won't be available for direct comment on the WBA's proposition for several days according to a spokesman.

After he defeated Canadian champion George Chuvalo in their thrilling 12-round slugfest at Madison Square Garden Monday night, Patterson emphasized again his ambition to beat Clay and Liston and regain the title. He said then he was not interested in the Terrell-Machen winner which had been offered previously to the victor of Monday's fight.

Willie Somers who scored 22 points for Duquesne was chosen as the outstanding player of the doubleheader, while Billy Morris, Loyola, was named as the most valuable.

The Mount loss throws the North League of the Mason-Dixon Conference into a wide open race. Mt. St. Mary's still leads at 8-1 while Loyola is 7-1 and Western Maryland 6-1.

On Saturday the Mountaineers, 14-2 overall, plays at Hampden-Sydney, leader of the South League.

The Colonials won 10 of the 12 events and five were by falls. Jeff Baker, 145, registered the fastest pin by tossing Jeff Corun in just 33 seconds.

Other Colonials winning by falls were John Walker, 103; Clyde Luckenbaugh, 112; Dwight Adams, 154, and Nevin Lucabough, 165.

Warren Uttermahlen, 180, registered the lone fall for Francis Scott Key.

The victory was the third in a row for the Colonials who will next meet Dover at New Oxford Saturday evening, February 13.

Sermon For The Week

By REV. W. H. ANDERMAN JR., Pastor
East Berlin Charge, UCC
LAMPLIGHTERS

Several years after I had started to attend elementary school, I received a book for Christmas. It was Robert Louis Stevenson's book: "A Child's Garden of Verses." It contained many colorful pictures and poems which sparked the imagination of a child. The book is still in my library.

The book had one poem in it

that I have always remembered called "The Lamplighter." Although I am blind, I can remember this poem and the picture which accompanied it. The picture was one of a man coming down the street with his ladder in hand to light the street lamps at twilight.

Somehow this poem with its picture brought vivid mental images to my mind. In my imagination I could see the man going from lamppost to lamppost lighting the street lamps. I could imagine how faithful the lamplighter had to be to be on hand to light the lamps every night without failure. He had to be as dependable as the sun.

Isn't this the genius of Christianity: The light of the gospel,

the Word of God, is as dependable as the rising and the setting of the sun. It teaches us the Christian way of life, and it should make such an impression on our living that we are as dependable as the lamplighter. We must be as dependable in our following of Christ and his teachings as Leary the lamplighter was dependable for lighting the lamps along the street. Our light must so shine before men that they may see our good works and give glory to the Father in heaven.

Jesus said, "You are the light of the world. . . . Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven." Matthew

ARE YOU READY?

There can be no harmony without you! Unless everyone joins in together, determined to make this performance on life's stage the best one possible, the result will always be sour and discordant.

Perhaps, when we take an honest look at ourselves, we discover such things as temper or prejudice, jealousy or despair standing in the way of our personal happiness. And when we are unhappy, we feel out of tune with the world.

How can these miseries be overcome? God Himself will help us, if we ask Him. It is His intention that His children live in harmony and contentment, and He will show us the way.

Bring your problem to church this Sunday, and offer it to Him in prayer. He loves you greatly, He understands you perfectly, and only He can help you to regain the song of joy that belongs in your heart.

U. S. BLAMED FOR DAMAGE TO FLORIDA CROPS

By DON NORTH
MIAMI, Fla. (AP) — Millions of dollars worth of citrus, vegetables and sugar cane are turning to garbage under Florida sun, and farm leaders say the cause is a labor shortage created by the federal government.

For 20 years, Florida's crops were harvested largely by labor imported from the British West Indies and the Bahamas. But this source was cut off last year when Congress refused to extend the act governing use of migrant farm workers from abroad.

The supply of Mexican laborers to California, where they long had been used to harvest fruit and vegetable crops, also was cut off. The California Department of Labor has launched a crash program to recruit domestic workers, but a department official said Wednesday "we're not getting them fast enough." Lemon and date growers say they stand to lose millions of dollars because of the labor shortage.

SET WAGE SCALE
In an attempt to attract American farm workers, Secretary of Labor W. Willard Wirtz set minimum wage scales ranging from \$1.15 to \$1.40 an hour.

The \$1.15 minimum set for Florida was 20 cents higher than the scale paid to foreign workers, but agricultural spokesmen says the plan isn't working because:

1. Industrious workers can earn more than \$1.15 an hour under a long-standing piece rate system.

GET SAME PAY
2. Domestic workers prefer less menial jobs and can get them for the same pay.

Florida's Commissioner of Agriculture, Doyle Conner, said Labor Department officials have not acquainted themselves

JEAN SEBERG WANTS TO OWN PIECE OF SOIL

By BOB THOMAS
AP Movie-TV Writer
HOLLYWOOD (AP) — "There remains," says Jean Seberg of Marshalltown, Iowa and Paris, France, "a strong strain of Iowa in me."

Perhaps the strongest indication is her hankering for the solidness of the soil. Not content with a Paris apartment and a home on a Greek isle, she is negotiating for a place in the Caribbean. And she tried to buy an Iowa farm.

DISCOURAGED FARM
"I thought it would be a good idea, just to own it and let a cousin run it for me," she said. "But everyone talked me out of it, even the farmers themselves."

In most outward respects, Jean Seberg is much changed from the days when she attended proms and husking bees in Marshalltown. Now she is a film star, wife of French diplomat and literary lion Romain Gary, and an ornament of the leading salons of Paris.

FIRST HOLLYWOOD ROLE
Although an international star, Jean has not made a film in Hollywood until now. She is appearing in Mervyn LeRoy's "Moment to Moment," a suspense and love story laid in the Riviera, where location scenes were filmed.

Jean figures she might never have made it to the film capital except for LeRoy.

"He told Universal he wanted either Audrey Hepburn, who turned out to be unavailable, or Jean Seberg," she remarked.

It's possible that Jean underestimates the extent of her fame. Her saga is unique: How Otto Preminger plucked her from Marshalltown to play Shaw's "St. Joan," how the critics scorned her inadequacy, how he cast her as the Sagan heroine in "Bonjour Tristesse" with little better results, how

U. S. STUDENT FREED BY REDS

MOSCOW (AP) — Peter Landerman, an American student jailed for the death of a Soviet in an auto accident, was released Thursday after serving 16 months of a 3-year sentence, an American Embassy spokesman announced.

The spokesman said the president of the Supreme Soviet reviewed Landerman's case and decided to release him "on humanitarian grounds."

Landerman, 24, of Riverside, Calif., was turned over to an official of the embassy's consular section at noon today. He will fly to New York Friday.

A former student at the University of California, Landerman was sentenced on Sept. 27, 1963, after a four-day trial.

He was driving a car filled with American students when he hit a Soviet pedestrian near Minsk on Aug. 15, 1963.

AUDITOR TURNS DEAF EAR ON MRS. SCRANTON

HARRISBURG (AP) — The Pennsylvania auditor general's office is standing firm in its refusal to pay for new draperies in the governor's reception room despite strong urgings from the state's first lady.

"This is an absolutely illegal purchase and I will not authorize payment," said Auditor General Thomas Z. Minehart, who happens to be a Democrat.

Mrs. William W. Scranton, wife of the Republican governor, had called on Minehart to reconsider his decision to return the \$1,555 bill to the Department of Property and Supplies unpaid.

"BARGAIN" PRICE
"As a housewife, a bargain is a bargain, and politics is politics," Mrs. Scranton had asserted.

The flowery draperies — six sets in all — were hung last fall

in the reception room that adjoins the governor's office in the state Capitol. A Property and Supplies spokesman said there was no competitive bidding on the purchase because the drapes were needed for a reception for the Distinguished Daughters of Pennsylvania.

The fact that no competitive bids were taken was the reason given by Minehart for balking at payment of the bill. Mrs. Scranton, who said she has spent some of her own money redecorating her husband's office, insisted that the drapes were a bargain.

Meanwhile, Scranton himself refused to become involved. He brushed off questions regarding the draperies at his weekly news conference Wednesday.

EX-BASEBALL ANNOUNCER IS NAVY CHAPLAIN

By T. JEFF WILLIAMS
ABOARD USS HANCOCK (AP) — The Protestant chaplain aboard this aircraft carrier smokes cigars and loves to talk baseball.

But because Lt. Cmdr. Wendell R. Begg was a baseball announcer before he turned to the ministry, that's understandable. But now his job is a different one — ministering to men aboard the 7th Fleet carrier in the South China Sea, off Viet Nam.

Begg, born and raised in Le Mars, Iowa, studied business and radio advertising at Duke University. While there he was asked to become a baseball announcer. After a short stint announcing Class B ball he moved to Sioux City, Iowa, and moved into Class A ball announcing.

MADE CHOICE

But Begg had been studying for the ministry and was committed to spend some time in a seminary. The stocky announcer with a perpetual 5 o'clock shadow had to choose—baseball or the ministry.

He chose the church and spent three years as a minister at Elgin, Ill., before taking a commission as a Navy chaplain.

Since he joined the Navy in 1956 Begg has been home only two years, but he said he finds a challenge in being a Navy chaplain that he never found in civilian life.

COUNSELS MEN

Much of Begg's time is spent in counseling men aboard the Hancock. His toughest job is acting as a liaison between the man at sea and the man's family thousands of miles away.

For the married man, Begg said, it is a never-ending problem of being away from home.

For all the men, mail is vital. It is by far the biggest morale factor in the fleet. A man spending seven months of the year away from home can become extremely lonely on this big ocean, he said.

DISCUSS FAMILY PROBLEMS

Begg said men come to see him nearly every day, asking why they aren't getting mail from home, or discussing family problems with him.

The chaplain praised the mail service on this carrier, where mail is delivered daily by plane. Begg, whose wife and three boys live in Castro Valley, near San Francisco, said: "It is very personal to be remembered by the family back home. It has affected me and I can see how it affects others."

EMPHASIZES WORSHIP

Great emphasis is placed on Sunday worship.

Sunday's Catholic and Protestant services each draw about 200 men. A Bible study class

HERO RECEIVES BELATED HONOR

MCGUIRE AIR FORCE BASE, N.J. (AP) — "We're thankful that the government remembered him after all these years," Mrs. George Rader said as an Air Force brigadier general presented her husband with a Distinguished Flying Cross.

Rader got the medal Thursday in recognition of his "professional competence, aerial skill and devotion to duty" one day in August, 1944, when he was the lead bombardier on a key mission over Czechoslovakia.

Rader, an engineer with the Newark Housing Authority, knew he had been recommended for the medal, along with others on the mission, but he never asked about it.

He received the medal through the efforts of his daughter, Ellen, 12, who wrote President Johnson asking why her dad didn't have a medal which he said had been awarded him.

WANTS CHANGE IN AID BILL

WASHINGTON (AP) — Rep. John P. Saylor, R-Pa., has suggested changing the aid formula in President Johnson's Appalachia program to permit a federal contribution of 80 per cent for road construction.

He planned to submit his views today to the House Public Works Committee considering the program.

The bill would provide \$480 million for highway construction with the federal government paying 70 per cent of the cost and the state contributing 30 per cent.

Saylor said Thursday that the 10 per cent difference could be the determining factor in beginning construction in areas where the need is greatest.

"If the state share of the recovery process is too burdensome to permit all-out cooperation," Saylor said, "then the Appalachia Development Plan will fall short of the one purpose for which it has been created."

Saylor said no increase in overall highway funds is required because the fund is already big enough to fill the need if it is used judiciously.

NEW YORK (AP) — Former President Dwight D. Eisenhower will be honorary chairman of a Winston Churchill Memorial fund to be set up by the English-Speaking Union of the United States.

and "singspiration" also are held weekly.

The chaplain gives much of the credit for the successful religious program to the support given by the Hancock's commanding officer, Capt. Frank B. Stone of Jacksonville, Fla., and the executive officer, Capt. H. Spencer Matthews of Sikeston, Mo.

OFFICIALS SAY CHILD'S HORSE NOT WELCOME

TOWACO, N.J. (AP) — Township officials have refused to lift a ban on a shaggy horse named Maggie, a pet of 12-year-old Sharon McDermott.

So Sharon's father, Vincent McDermott, 45, a disabled veteran out of work for two years, is thinking of selling the horse and moving out of town.

"My daughter is heartbroken," McDermott said Thursday. "People just don't understand the feelings involved in a situation like this. I'd move because I have my child's health to consider. She loves that horse."

McDermott also said: "When we bought the house last July, the real estate agent told us he had checked everything with township officials and we would be allowed to keep the horse."

Sharon said of her 12-year-old pet: "I don't want to get rid of Maggie and I don't want to board her out. If she has to go, I go too. I love her."

Two other children in the family live at home, and two others away from home. The mother, Catherine, runs an antique shop in the house.

Officials have set next Thursday as the deadline for Maggie's departure from the McDermott property in the heart of this Morris County hamlet in northwestern New Jersey.

The officials have ruled that Maggie can't stay because the McDermott property lies well within a 200-foot-deep business zone.

McDermott sought a zoning change so the horse could stay. The Montville Township Board of Adjustment, refused, saying it had acted on a complaint by neighbors that Maggie was a health menace.

Says LBJ's Farm Message Is Vague

WASHINGTON (AP) — President Johnson's farm message is marked by many vague and indefinite platitudes, says Rep. Paul B. Dague of Pennsylvania, the ranking Republican of the House Agriculture Committee.

Commenting on Johnson's message Thursday, Dague added:

"By and large, it raises some very important questions in what it does say. For example, the message does not spell out the manner in which some \$400 million will be cut from the agriculture budget for the commodity programs as promised by the President in his budget message. . . ."

RICH YOUTH ENDS HIS LIFE

TUCSON, Ariz. (AP) — Eugene (Stormy) McDonald, dead at 23, was pictured by friends today as despondent over his wealth and failure in marriage.

The handsome youth, left a reported \$30-million trust fund by his father, was found shot in the head and with his wrists slashed.

"He used both hands," a sheriff's officer said today. "He held a 22-caliber pistol to the back of his head and triggered the gun with his right thumb."

First officers said, McDonald slashed both wrists.

A coroner's jury was impaneled Thursday after the young University of Arizona senior's body had been found in the hallway of a \$50,000 home he rented in Tucson.

The pistol believed used in the shooting was found nearby.

An inquest was called for Monday with a number of McDonald's friends including actor Peter Fonda, expected to be called.

3 DISTRICTS APPEAL FROM SCHOOL PLAN

HARRISBURG (AP) — The Board of Education is considering an appeal from three school districts asking for exemption from Delaware County's plan of reorganization.

The districts of Newtown Twp. and Millbourne and Marcus Hook boroughs based their appeals on grounds that the plan would result in higher taxes.

The proposed plan for Newtown Twp. would mean a merger with Marple, dissolving the existing Marple-Newtown jointure. There would be no change in program, but the separate identities of the districts would be lost.

ARGUE ASSESSMENTS

Newtown argued that since it has a high assessment and Marple has a low assessment, it would continue to pay higher taxes under the merged district.

The township argued the existing jointure has been successful, and asked that it be allowed to continue.

Millbourne, which has only 22 school children, also sought to maintain an autonomous identity.

The borough, a commercial area, seeks to retain the benefits of low taxation for its businesses. It claims it could not do this if it merges with the Upper Darby and Clifton Heights school districts under the county plan.

Millbourne asked the board to use its influence to persuade the General Assembly to enact legislation that would permit school districts to retain their favorable tax base.

Laotian Capital Quiet After Abortive Revolt

By KARSTEN PRAGER
BANGKOK, Thailand (AP) — Vientiane was reported quiet but tense Thursday with loyalist forces of the deputy chief of staff, Gen. Kouprasith Abhay, apparently in control of the Laotian capital after an abortive revolt in the army.

Reliable informants in Thailand reported no new fighting today in Vientiane.

Eight persons were known killed and 38 others wounded in bitter fighting Wednesday before Abhay's men put down the revolt of some 800 dissidents.

The U.S. and Thai Embassy buildings in Vientiane sustained minor damage. A Thai Embassy official was among the dead. None of the 1,000 Americans in the capital was believed hurt.

Vientiane airport was reported still closed to commercial traffic.

10,000 FLEE
An unconfirmed report in Bangkok said foreign correspondents in Vientiane had been arrested.

Thai officials said nearly 10,000 persons fled Laos and sought refuge in the Nongkhai area of northern Thailand.

Among the refugees were dependents of Thai embassy personnel in Vientiane, evacuated following the shelling of the embassy.

Thailand army and air force units near the Laotian border remained on alert.

The rebel leader, Col. Bounlert Syssic, headed an unsuccessful army uprising on Sunday night. A U.S. spokesman said that he switched to the loyalist side in Wednesday's fighting.

FIXES BLAME
Deputy Premier Phoumi Nosavan, a rightist general who once headed the army, charged in an interview that Kouprasith was to blame for the hostilities. Earlier Phoumi had rejected the charge of Premier Prince

Souvanna Phouma that Phoumi was behind the uprisings in an effort to regain power.

Souvanna is the leader of Laos' neutralist-rightist government engaged in a guerrilla war against pro-Communist Pathet Lao forces who control two-thirds of the tiny, landlocked kingdom.

ADVISER SAYS WILL PUSH WAR AGAINST REDS
By MALCOLM W. BROWNE
SAIGON, South Viet Nam (AP) — President Johnson's aides began a round of conferences Thursday after pledging to the Vietnamese people that the United States remains committed to the war here against communism.

"I can tell you plainly that the United States remains determined to work in partnership with you for the defeat of these aggressors," said presidential aide McGeorge Bundy in a statement on his arrival.

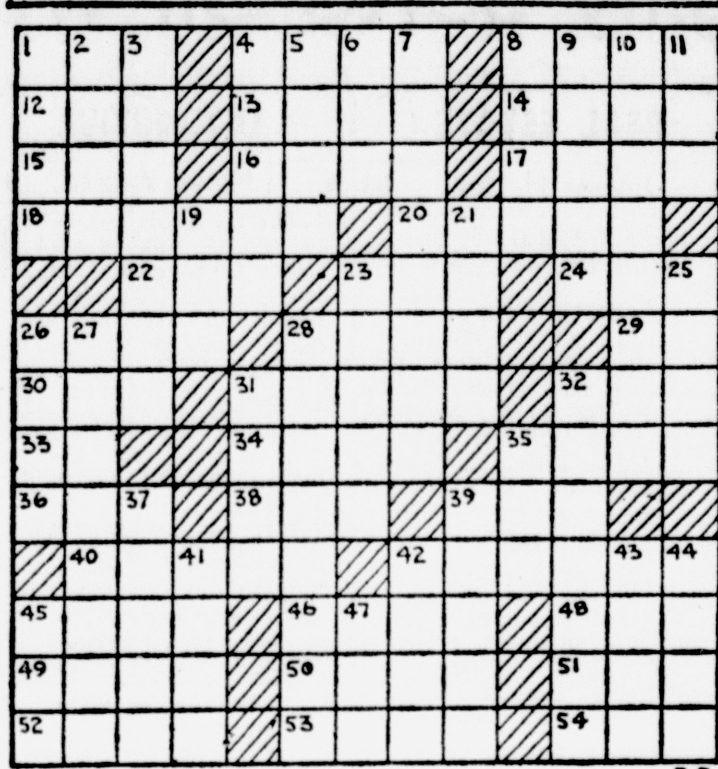

Bundy, Johnson's foreign policy adviser, arrived today on a three-day fact-finding trip on Viet Nam's political strife and war against the Communist Viet Cong.

GET NEW THREAT
Even as he spoke, however, Buddhist and other pressure groups threatened new antigovernment demonstrations next week. The lunar New Year holiday had brought a lull in the guerrilla war and religious disorders.

In addition to conferences with top U.S. officials in Saigon, Bundy also was expected to confer with strongman Lt. Gen. Nguyen Khanh and other Vietnamese officials. Other members of the President's mission included Leonard Unger, chief of the interagency task force on Viet Nam, and John McNaughton, assistant secretary of defense for security affairs.

Some find cooks like to add a little heavy cream to their homemade corned beef hash. This makes a perfect dish for a company brunch, especially when it is served with home-made chili sauce.
